

## Please Read Before Completing Your Application

We want you and your dog to have a positive training experience at Xcel. To help us accomplish this we would appreciate you complying with the information below:

- Please bring with you food for your dogs cut up in small pieces.
- Preferably use a fanny pack or have pants w/pockets to hold food.
- A Bordatella vaccine is recommended for your pet, but not required.
- It is suggested that you use food that the dog does not eat all the time. Example: hot dogs, cheese, chicken, steak. Please use EASY TO EAT food. Avoid dry kibble.
- We suggest not feeding your dog its' daily meal before class or you can feed a portion of their meal.
- Proper footwear is suggested. Example: Tennis Shoes. Any type of flip flop shoes or high heels ARE NOT suggested as proper footwear.
- Please DO NOT consume any alcoholic beverages before coming to train your pet. You should not drive while intoxicated. You also cannot take instruction properly while intoxicated. A teacher has the right to excuse you from class if they believe you are showing signs of being intoxicated.
- Have your dog on a training collar and leash. If you do not have one, these items will be provided for you with the option of purchase.
- If you wish, you can bring your dog's own water bowl.
- Please keep your dog on leash while leaving your vehicle and returning to your vehicle.
- Any dog or handler that disturbs class will be asked to leave. If a dog shows any type of aggression toward other dogs, a private class can be another option until the teacher believes the dog can return to a group class. It is up to the Xcel Training Staff to determine if the dog should returns to class, not the handler.

*Thank You.....The Xcel Canine Training Staff*
